Environmental Clean-Up Companies*

Name	Address & Website	Phone Number	Fax Number	Services
US Filter / Siemens	2115 Speedrail Ct. Concord, NC 28025 www.usfilter.com	Sales Contact: Rick Metcalf Rick's cell: (704) 201-2053 (888) 749-8344		Used Glycol/Antifreeze Collection & Recycling • Used Oil Filter Collection & Recycling • Oil Recovery & Recycling • Oil Water Separation and Recycling • Vacuum Services & Transportation • Site Decontamination • Excavation & Removal • Emergency Response & Spill Support

*** This is a list of possible clean-up companies in the area. Other clean-up/spill response companies can be used instead of the ones listed above. The City of Durham Stormwater Services does not endorse one company over another. The clean-up work will be assessed by Stormwater Services to verify that the work is sufficient. Stormwater Services must be given a copy of an official receipt (e.g. non-hazardous waste manifest) to document that the contaminated soil and/or liquid is disposed of properly.**

****All spills must be reported to the STATE WARNING POINT - (800) 858-0368 & DURHAM COUNTY EMERGENCY MANAGEMENT: (919) 560-0660. DWQ- RALEIGH REGIONAL OFFICE: (919) 791-4200.**
